

Nu-Kleen Floor RSG™

Cleaner and Degreaser for Scrubber Dryers

Description

Nu-Kleen Floor RSG™ is a concentrated cleaner and degreaser for scrubbers. Low foam, it is designed for the rapid and deep removal of oils, grease and other dirt. It makes floors less slippery. **Nu-Kleen Floor RSG™** is recommended for cleaning and degreasing floors in large areas. Ideal for use in malls, restaurants, hotels, hospitals, markets, food fairs and any other place where effective cleaning is required. **FOR PROFESSIONAL USE ONLY.**

Benefits

- Continuous action: biological degreasing.
- Gentle foam for industrial washers.
- Safe for users, gentle on finished surfaces and the environment.

pH 7

Directions

Dilute **Nu-Kleen Floor RSG™** with cold water and pour into the bucket or the cleaning solution tank. Apply the solution using a cloth, soft scouring pad or brush. **Nu-Kleen Floor RSG™** can also be applied using a scrubber-drier and pressure washers.

- Consult an InnuScience representative for more information on the dilutions, dosages or equipment to be used according to your needs.
