

Nu-Life SB™

Heavy Duty Foaming Degreaser

Description

Nu-Life SB™ is a heavy duty foaming degreaser. Concentrated foaming degreaser that dissolves mineral oils and greases and removes industrial soil accumulations. Neutralizes the strong stench from pits, drains and pipes. Replaces the use of organic solvents. **FOR PROFESSIONAL USE ONLY.**

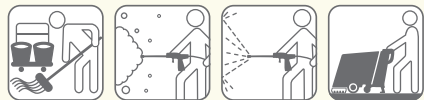

Benefits

- Contains no solvents or VOCs.
- A more effective alternative to solvents and alkaline degreasers.
- Safe for users, gentle on finished surfaces and the environment.

pH 7

Directions

1. Using a foam gun dilute and lather on surfaces to degrease. **2.** Leave about 5 minutes. **3.** Rinse in cold water with a low or high pressure washer.

- Consult an InnuScience representative for more information on the dilutions, dosages or equipment to be used according to your needs.
- Consult a representative about our specialized training.
